Cooperating with the University of Arkansas – Division of Agriculture

This report contains the results from the **Crop Progress and Condition** weekly survey. The survey is completed by county extension agents' visual observations and contact with producers in their county. These data are also posted on our web site at <https://www.nass.usda.gov/ar> and in a more detailed report at <https://www.nass.usda.gov>. Thanks to all of the county extension agents who responded to this survey.

Week Ending: October 23, 2022

Released: October 24, 2022

According to the National Agricultural Statistics Service in Arkansas, there were 6.8 days suitable for fieldwork for the **week ending Sunday, October 23, 2022**. Topsoil moisture supplies were 45 percent very short, 41 percent short, 14 percent adequate, and 0 percent surplus. Subsoil moisture supplies were 44 percent very short, 40 percent short, 16 percent adequate, and 0 percent surplus.

Crop Progress for Week Ending October 23, 2022

Crop	This week (percent)	Last week (percent)	Last year (percent)	5-year average (percent)
Corn harvested	100	99	100	99
Cotton harvested	71	50	55	68
Peanuts dug	91	83	91	85
Peanuts harvested	48	21	43	46
Rice harvested	97	95	93	95
Soybeans dropping leaves	99	91	95	96
Soybeans mature	90	81	90	91
Soybeans harvested	79	62	68	67
Winter wheat planted	34	23	44	46
Winter wheat emerged	9	3	21	26

Crop Condition for Week Ending October 23, 2022

Item	Very poor (percent)	Poor (percent)	Fair (percent)	Good (percent)	Excellent (percent)

Arkansas Subsoil Moisture Map for the week of October 10 – October 16, 2022

The Soil Moisture Active Passive (SMAP) provides measurements of soil moisture in the root zone as a weekly average, represented by pixels. Each pixel represents 9 by 9 kilometer plot or about 20,000 acres. The SMAP data measures soil moisture in cubic centimeters of water/cubic centimeters of soil. The scale represents the percent of water in a given volume of soil. More information and additional mapping is available at <https://nassgeo.csiss.gmu.edu/CropCASMA/>.
