Agricultural Theft and/or Vandalism Incidents Reported by 17 Percent of Hawaii's Farms in 2004

A survey of farmers across Hawaii on the level of crime they endured in 2004 was done by the USDA, NASS, Hawaii Field Office in cooperation with the Hawaii Department of Agriculture and the Hawaii Farm Bureau. The results of the survey show that 17 percent or one out of six farms in the State suffered theft or vandalism during 2004. Honolulu County suffered the highest rate of theft and/or vandalism at 27 percent of all farms. Kauai had the second highest rate at 18 percent. Hawaii County was third at 16 percent and Maui had the lowest rate at 11 percent. A breakout of theft and/or vandalism rates by district shows that the district with Maui County at 43 percent. Honolulu County's Waianae district at 40 percent and the district with Hawaii County at 37 percent were second and third, respectively.
