2023 Irrigation and Water Management Survey Results Now Available Online

The 2023 Irrigation and Water Management Survey results have been published. The results provide whole farm data on irrigated farms, such as water use by source, expenditures, labor, and selected farm characteristics. Data on irrigated crops and pastures, as well as horticultural irrigation are also available.

The results are available online in PDF format and may be accessed directly from the following link:

www.nass.usda.gov/Publications/AgCensus/2022/Online_Resources/Farm_and_Ranch_Irrigation_Survey/index.php

If you have any questions regarding the irrigation information, please contact the Northwest Regional Field Office at nassrfonwr@usda.gov or 1-800-435-5883.

Access to NASS Reports

For your convenience, you may access NASS reports and products the following ways:

- All reports are available electronically, at no cost, on the NASS web site <http://www.nass.usda.gov>
- Both national and state specific reports are available via a free e-mail subscription. To set-up this free subscription, visit <http://www.nass.usda.gov>. Hover over the “Publications” drop down. Under "Receive reports by Email" section in the lower right corner, select the report(s) you would like to receive.

For more information on NASS surveys and reports, call the NASS Agricultural Statistics Hotline at (800) 727-9540, 7:30 a.m. to 4:00 p.m. ET, or e-mail: nass@usda.gov.
