### *~ ~ ~ About the Cover ~ ~ ~*

"Catchin Some Zzzz's" was taken by fourteen year old Emma Stricker from Nabb, Indiana and appears on the front cover. Emma is a five year 4-H member and has taken the photography project for three years. She has always liked taking pictures and loves to take pictures of her animals.

The photograph on the back cover, "Sunset Cow", was taken by seventeen year old Hadley Martin from Marengo, Indiana. Hadley took this picture one evening while she was enjoying the sunset with her cows.

We extend a special thanks to the farmers, agri-businesses, extension officials and others who voluntarily provided basic data used to prepare the statistics presented in this publication and to the corps of enumerators who so faithfully collected much of our raw data.

We would also like to thank all of the 4-H photography members that submitted pictures for use in our publication. All of the photos were included on posters displayed at the 2017 Indiana State Fair.
