## COTTON COUNTY ESTIMATES

County-level estimates for 2023 cotton are now available, according to the USDA's National Agricultural Statistics Service. The estimates, based primarily on surveys conducted with producers last fall, can be accessed using the QuickStats online database, found here: [http://www.nass.usda.gov/Quick\\_Stats/](http://www.nass.usda.gov/Quick_Stats/). Additionally, revisions for crop years 2018-2022 are also available.

For state specific questions, please contact the following State Statisticians at 1-800-392-3202.
