

June Acreage Report

Southern Plains Regional Field Office · Post Office Box 70, Austin, Texas 78767 · 800-626-3142 · www.nass.usda.gov

Cooperating with the Oklahoma Department of Agriculture, Food and Forestry and Texas Department of Agriculture

June 30, 2023

Contact: Jordan Hughes or Jenna Bates

The June acreage estimates in this report are based primarily on surveys conducted the first two weeks of June. This survey was based on a sample of approximately 6,500 farm operators. Data were collected by mail, internet, and telephone interview to obtain information on these operations.

Data provided by Oklahoma and Texas operators are the foundation of the estimates made for the Southern Plains region. The Southern Plains Regional Field Office would like to thank all farmers and ranchers that responded to these surveys and provided data used to set these important estimates.

WINTER WHEAT

Oklahoma winter wheat planted, at 4.60 million acres, is up 7 percent from a year ago. Harvested acreage, at 2.60 million, is up 6 percent from last year's crop.

Texas winter wheat planted, at 6.40 million acres, is up 21 percent from a year ago. Harvested acreage, at 2.00 million, is up 54 percent from a year ago.
